

Epson Large Format Printer Pre Delivery Site Survey

Thank you for your order for an Epson Large Format Printer (LFP). Your order will be fulfilled by Computers Unlimited who are the distributors for these products.

Due to the physical size and weight of Epson Large format printers, it is imperative that all customers who have ordered such printers fully understand the size and weight of the units they have purchased and therefore can ensure that they have the physical space to both accommodate and receive such equipment. Your order will not be approved or processed until this form has been read, completed and returned by the final recipient of the printer. Any details that have been overlooked or completed inaccurately that result in a failed delivery or incur additional carrier charges will be passed on to the reseller.

Please identify your printer from the list below and familiarise yourself with its dimension and weights and any special delivery requirements and then complete the survey form.
